Size & Specs

LENGTH

Length options range from 7'6" to 100'6". Compatible with both Botanicare® Original Grow Trays and Botanicare® Gutter Trays.

HEIGHT

Ergonomic 14", 20" and 30" height options.

TRAY WIDTH

Offered in both 4' and 5' tray width options.

DRAINAGE

Built-in slope/height adjustments up to 2.5" for 14" option, 5" for 20" and 30" options.

Maximized Production

The unrestricted travel capability allows you to have consistent aisle spacing throughout the width of your room, providing more potential canopy and more working aisle space compared to static or rolling benches. Up to 35% more plant space vs Botanicare® Slide Bench.*

Flexibility to Convert

Fresh build? Design a new room with Botanicare® Track Bench. Already have a room with Botanicare® Slide Benches? Conversion kits can help you evolve to Botanicare® Track Bench System. Reach out to your sales representative today to see if your facility is a good candidate!

*Calculations based on 40ft x 40ft room, 36 inch aisleways between benches and a room optimized with a combination of 4ft and 5ft bench options

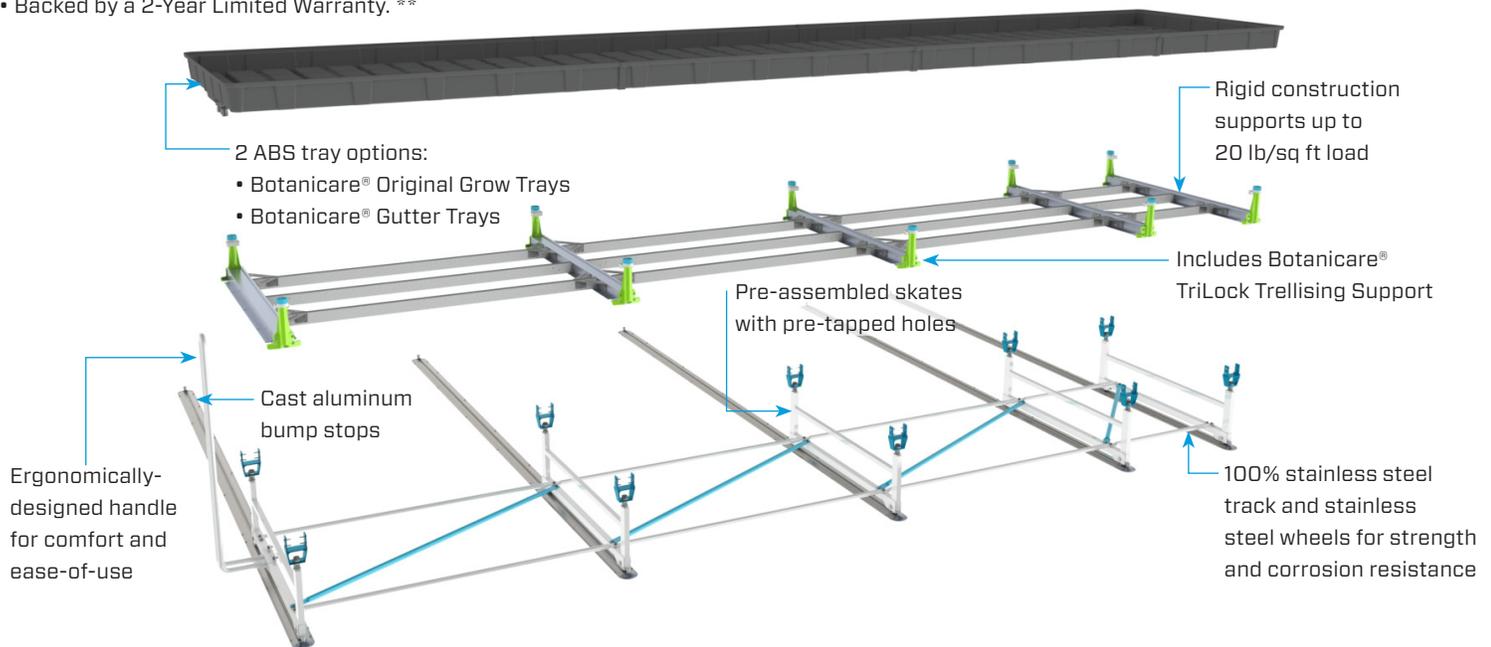

BOTANICARE® TRACK BENCH (CONTINUED)

Engineered Ergonomics and Ease-of-use.

Botanicare® Track Bench is thoughtfully engineered to effortlessly move side-to-side without the need for a hand crank. The custom stainless steel wheel and stainless steel track are designed with optimal clearance for consistent, smooth travel to avoid binding. Move up to 20 lbs per square foot with minimal effort using the ergonomic handle. Irrigation Line Locks and Header Locks are included for a more organized and serviceable irrigation setup. A centralized Drain Manifold is included with the purchase of Botanicare® Gutter Trays.

Best-in-class strength, durability and functionality Features & Benefits

- Up to 35% more plant space vs Botanicare® Slide Bench*. Maximizes yields and efficiency in single-tier grow rooms.
